

NON-SPONSORED CHILD OF AUGUST 2012

CD8019 BIIRA EDNAH

Biira Ednah is a registered CDE child who has not got a sponsor as yet. She was born on February 6, 2003. She is in primary form three at Kitalikibi Primary School.

She lives with her mother in a very tiny rented room near our town, her mother after being abandoned her husband is now struggling to raise Ednah and her sibling with a lot of hardship.

She is a very poor peasant who cannot manage to pay Ednah's fees, medical bills and other necessities. Before we registered Ednah, she was not in school and she had no hope.

As she sees other children getting sponsors, she has begun to pray daily for a sponsor and even though she is young, we have taught her to believe that God will get her one.

I challenge you today to rescue Ednah from poverty by partnering with Wally Ninneman ministries; when you welcome a child, its God you are welcoming.
